DESCRIPTION

A sweatshirt adaptable to motion in a mélange design, made from the special ARDON®BREEFFIDRY material that guarantees comfort thanks to its excellent breathability, abrasion resistance and full sweat wicking. The functional ARDON®BREEFFIDRY material retains heat while eliminating moisture. Thanks to its quick drying properties, it can be used in adverse weather conditions. The inside of the sweatshirt is made from a very pleasant and soft material. Two spacious hidden pockets, a designer chest pocket, a practical cut with a zipper and a chin cover, the stand-up collar keeps your neck warm, a sophisticated cut with shaped sleeves.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The ARDON®BREEFFIDRY Collection meets health requirements and is **OEKO-TEX®Standard 100 certified, PG020 certificate 198789 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With Intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
