PIECES IN CARTON	200 pcs
PIECES IN A BOX	10 pcs
WEIGHT OF A CARTON	5 kg
SIZE OF A CARTON	0,06 m ³

FFP2 face masks offer a moderate level of protection against hazardous mists, particulates and fumes. FFP2 masks protect against brake dust, cotton dust, granite dust, hay, lead dust and fume and softwood dust. FFP2 filtering half masks masks are made for working environments in which deleterious and mutagenic particles can be found in the breathing air. **DO NOT USE REPEATEDLY.** Do not wash and clean. Check integrity of the PPE before use. Do not use this PPE if it has some defects, symptoms of tearing or breaking. Do not repair workwear on your own. Avoid fire and intense heat sources. There are no designated accessories or spare parts for this PPE. When a garment is not being worn, it should be stored in dry and well ventilated places out of direct sunlight. Protect from moisture and extreme temperatures. After use, dispose of in an environmentally friendly manner.
