DESCRIPTION

A men's stretch softshell jacket with a hood; very light, completely flexible, and adaptable to motion. The jacket is made from one-layer of functional ARDON®BREEFFIDRY light material, which features dual weaving technology. The outside is resistant to abrasion, and is both waterproof and effectively windproof. The inside provides excellent breathability and quickly wicks sweat away to the surface. Four-way stretching enables total freedom of motion. The jacket has a light hood lined with elastic, a protective chin cover, a zippered chest pocket, two zippered pockets, anatomically shaped sleeves with elastic cuffs, an extended back, and internal stopper cords to adjust the fit. Reflective print for greater safety. A fitted slim cut, functional elastic Tabiflex® material that adjusts to every motion, and a soft finish on the inside guarantees comfort in all situations. The men's jacket suitable for demanding work, sports, and outdoor activities.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements PPE of simple design against the minimum risks that may be quickly and safety recognised by the user.

The ARDON®BREEFFIDRY STRETCH Collection meets health requirements and is **OEKO-TEX®Standard 100 certified, PG020 certificate 199 787 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With Intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
