DESCRIPTION

Workwear pants with knee pad pocket fit perfectly thanks to ergonomically shaped COMFORT FIT cut. Sturdy canvas tearproof fabric has a great mechanical characteristic and tensile resistance. Stretchy waistband with sew-in rubber band allows comfortable wearing; mobile phone pocket, 2 front slit pockets, 2 rear flap pockets, pockets for a snap-off knife, screwdriver, carpenter pencil; big slit flap pocket on the left leg; doubled fabric in the knee area, pocket for a folding rule, screwdriver and snap-off knife on the right side. The reflective piping for better visibility placed on the front and back, In combination with reflective fabric, the garment increases wearer conspicuity. Triple stitching in stressed areas for higher durability.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

EN ISO 13688:2013 – Protective clothing - General requirements

EN 14404 – Use of the J3804 knee pad and trousers for work while kneeling.

The ARDON[®]NEON Collection meets health requirements and is **OEKO-TEX[®]Standard 100**, certificate number **PG020 128 167 OETI**.

UNIT PACKAGING	1 ks

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With Intensive use, the service life may be shorter than the warranty provided. The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene of health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement pants are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
