DESCRIPTION

Safety ankle boots with an upper made of high-quality bovine leather, complemented by a textile lining for enhanced comfort. The footwear is equipped with a hook-and-loop fastener (Velcro), which, in combination with an elastic strap under the tongue, ensures better fit and instep fixation. For maximum safety, the boots are reinforced with a steel toe cap and a kevlar midsole. The PU/rubber sole is resistant to contact heat up to 300 °C.
