DESCRIPTION

These ladies' jeggings are the ideal combination of style and comfort for everyday wear. With excellent elasticity, they adapt to the figure and allow freedom of movement without compromising on comfort. The material is durable, yet soft to the touch. Modern styling guaranteed by refined details such as decorative rivets, stitching on the back pockets and a decorative print on the inner pocket pouch. The original print on the inside of the legs, which can be turned up, means they can be worn for different occasions.

This personal protective equipment is in conformity with the requirements of the following harmonised standard:

ČSN EN ISO 13688:2013 – Protective clothing - General requirements

The JASVENA Collection meets health requirements and is **OEKO-TEX® Standard 100 certified, PG020 certificate 128167 OETI.**

The service life depends on the rate of use and the rate of wear in the given conditions. Inappropriate storage conditions, improper maintenance and care reduce the service life. The warranty period is 24 months. Under no circumstances should the warranty period be confused with the service life of the product. With intensive use, the service life may be shorter than the warranty provided.

The product does not contain any substances in concentrations that are known or suspected to have an adverse effect on the user's hygiene or health. However, skin irritation is not impossible for sensitive people, in which case do not continue to use the garment. Avoid the fire and sources of intense heat. No accessories or replacement parts are intended for these garments. If the garment is not in use, it is recommended to store it in a dry and well-ventilated area away from direct sunlight. Transport best in original packaging, protect from moisture and extreme temperatures. Dispose ecologically after use.
